Chicken fingers anyone? Toenails and all!

It's been an exciting start to another year in Panama. God has blessed us with some new open doors to spread His word and touch lives. We have also

been blessed with visitors from the states who have helped us with our ministry here these first few months of 2015.

One of the opportunities we have had this year was responding to a request to take Bibles deep inside the Indian reservation. We

were able to distribute the Bibles and minister to the people. Everyone seemed very excited to receive their own personal Bibles! Sis Elaine Hughes and Sis Esther Roberts were here during this time and went to the reservation with us. We were able to minister to the children and then pass out toys these sisters

brought with them. Sis Elaine & Sis Esther also brought some much needed glasses. This lady was able to see things much clearer with her new glasses.

Another opportunity we were given was actually outside of the country of Panama. In March we were privileged to spend 12 days with Macedonian Missions in Guatemala. We ministered with and interpreted for Bro. Dan Roberts to over 3,000 students and staff in 8 schools! What a wonderful

opportunity it was to help touch so many young lives. The Lord willing, in July we plan to make another roundtrip from Panama to Guatemala for another week of ministry in additional schools.

All of our visitors have been blessings to us and the people here in Panama. Bro Josh Bohn donated

several new portable folding benches for us to use during our weekly church services. He also did a great job preaching while he was here in Panama.

We are so excited about the growth we are seeing and the work God is doing in souls here in Panama! Thank you so much for all your prayers and support. We pray that God would richly bless you.
